

NEVER BE THE SAME

**TRUSTED BY THE WORLD'S MOST PROMINENT BRANDS TO TELL
STORIES FROM THE MOST CHALLENGING PLACES ON EARTH**

WHO WE ARE

FISHER CREATIVE'S CORE PURPOSE IS TO UNLEASH **EPIC STORIES** AND **POSITIVE CHANGE** THROUGH **TRANSFORMATIVE EXPERIENCES**.

World-class, full spectrum [creative and media production studio](#) equipped to develop, direct, produce, and distribute beautiful, authentic, story-driven motion and still content. For over 20 years, we've been:

- Capturing iconic, award-winning [still](#) and [motion](#) content of adventure sports and unique experiences around the world.
- Creating marketing content for outdoor, travel, leisure, and other brands, including [Royal Caribbean](#), [Vail Resorts](#), [Infiniti Motors](#), and [Black Diamond](#).
- Producing award-winning adventure, environmental, and human-interest films for clients (e.g., [National Geographic](#), [Explorers Club](#), [CNN](#)) and independently (e.g., [A Rally for Rangers](#), [Myanmar: Bridges to Change](#), and [HUMANΨUNITY](#)).

We do it all - from pre-production to polished deliverables - and have a proven track record of exceeding expectations. And as some of the very few filmmakers and photographers willing or able to follow stories to Earth's most challenging, dangerous, and difficult-to-reach places, we're known for pursuing (and pulling-off) what others deem impossible.

FROM THE **SUMMIT OF MOUNT EVEREST** TO THE **STREETS OF VENICE**, OUR MISSION IS TO **HELP THE WORLD WANDER, WITNESS, AND WONDER** ABOUT WHAT WAS PREVIOUSLY UNKNOWN, UNSEEN, OR MISUNDERSTOOD.

WE KNOW THE TOP OF
THE WORLD FEELING.

WE'VE BEEN THERE.
